Bob's EASTSIDE JUICY IPA

ABV: 6.1% IBUs: 15

Bob's new brew is an assertive Juicy IPA with DDH Tropical fruit and citrus juice hops and a drinkable, soft hazy finish.

We asked ourselves "what kind of IPA would you wanna drink when bouncing around the Eastside?" The answer is a beer packed full of bright, juicy hops but with a cleaner, more refreshing, and sessionable finish. Bob's East Side Juicy IPA is brewed from the neighborhood to enjoy in the neighborhood!

FLAVOR PROFILE: Bright citrus gives way to juicy, tropical fruits like pineapple and mango. Crisp floral and coconut notes finish the flavor and make you ready for another sip...or gulp.

Guaranteed to leave you refreshed and with a low abv of 4%, this lager covers what Bob calls, "the three-ables" - Crushable, Shotgunable, Sessionable, making this thirst-quencher your new fridge staple.

Bob's Cold One is best served ice cold and enjoyed amongst friends.

WHAT ABOUT BOB'S AMBER

ABV: 6.5% IBUs: 30

Hey Locals, When Are You From Austin?

Have you ever struggled to answer when you're asked where you are "from?" Were you born here? Have you lived here 5, 10, 20 years? Has someone boldly claimed, "You're not from here if you weren't born here?" So, when did you get to start saying you're from Austin?

It's probably fair to say there's no true answer to these questions. Perhaps it's less an inherent property of someone and more of something you identify with. As we at Blue Owl Brewing define who "Bob" is, we know one thing is true -- these non-sour beers are designed for locals. Bob's Amber (full name What About Bob's Don't Hassle Me I'm Local Amber) is an easy-drinking, balanced amber that works any day, any time, anywhere. So whether you're from Austin or just want to say you're a local looking for a beer...What About Bob's?

FLAVOR PROFILE: Transcending occasions and locations, enjoy these bright citrus Cascade hops that mingle effortlessly with lightly roasted malts. A distinctive clean character, courtesy of the Lutra Kviek strain, allows the slightly sweet caramel malts to shine.

1/2 BBL: \$155 | SLIM KEG: \$75 | CASE: \$33.50

One of those rare smiles with a quality of eternal reassurance in it, that you may come across four or five times in a life. Like a green light across the bay, let Bob's Great Porter guide you toward a winter full of hope and abundance.

FLAVOR PROFILE: Rich amber malt that's balanced with a clean, inviting finish.
